ITALY'S SUPPORT.

Cannot Get Assistance of United States
or Great Britain.

New York, March 6.—The Her-
ald's Washington correspondent
sends the following: In making
her demand on China for the ces-
sation of territory and sphere of in-
fluence surrounding it, Italy has
the support of France, Germany
and Russia and the diplomatic
opposition of the United States
and Great Britain. I learned to-
day from a high diplomatic author-
ity that before making her de-
mand Italy sounded all the pow-
ers of Europe and then submitted
a note to this government detail-
ing her purpose and asking what
action would be taken by it in case
her plans were put into execution.
The reply of Secretary Hay, for-
mulated after careful consulta-
tion with the President, depre-
cated the proposed course of Italy,
and was in the nature of an objec-
tion to its adoption. But Italy
has taken no heed to the wishes
of the United States, though she
was careful to ask beforehand
how far this government would
go in opposing her pretensions.
Information in possession of the
authorities confirms the press re-
ports of the landing of Italian
marines at San Mun Bay, despite
the refusal of the Tsung Li Ya-
men to comply with the de-
mand.

In refusing the Italian demand
the Chinese Government is sup-
ported by Great Britain, notwith-
standing the reports to the con-
trary which have been published,
and the British Government would
like the United States and Japan
to join with it in strongly protest-
ing against this invasion of Chi-
nese territory, even to the point of
making a display of force and en-
gaging in hostilities to compel
Italy to withdraw.

CHINA WILL APOLOGIZE.

London, March 9.—The Peking
correspondent of the Times says
the Chinese are discussing the
advisability of making San Mun
an open port, so as to evade Italy's
demand for a concession.

Rome, March 8.—The Tribune
says it learns that the Chinese
Government has offered to send
the Italian Minister, Signor Mino,
a written apology through Sir
Claude MacDonald, British Min-
ister at Peking, for the terms in
which the Tsung Li Yamen
coached the Chinese refusal to
grant the concession recently de-
manded by Italy of San Mun Bay
province of Chekiang, to be used
as an Italian naval base and coal-
ing station.

Japanese Hospitality.

Mr. and Mrs. T. Masuda gave a
party at their Waikiki beach home
on Tuesday evening. Among those
present were Captain Field of the
U. S. transport Scindia, Justice
W. A. Whiting, Captain Dabel of
the schooner Aloha, Mr. Allen of
Chicago, Mr. and Mrs. John Ena
and family, Geo. E. Boardman,
W. C. Sproull, Consul Saito and
wife, S. P. Parker, Dr. Walters,
Dr. Murray, Mr. Donkowitz, Cap-
tain Lydig, U. S. A., B. H. Aus-
tin and several Japanese ladies.
The Quinet club furnished the
music. Japanese theatricals and
sports were given on the lawn, the
entertainment in general being
largely in the open air.

Appeals to the United States.

New York, March 8.—A cable
to the Journal from Hongkong
says: It is reported here that the
latest aggressions of Italy in at-
tempting to seize San Mun Bay
have alarmed the imperial govern-
ment, and that China has already
appealed to the United States
Government.

Vehicles for Manila.

Suisun, Cal., March 8.—The Be-
nicia Agricultural Works has re-
ceived a contract from the Gov-
ernment for 160 handcars, thirty-
four delivery wagons and fifteen
ambulances. When completed
they will be shipped to Manila.

From all over the country, come
words of praise for Chamberlain's
Cough Remedy. Here is a sample
letter from Mrs. C. Shep, of Little
Rock, Ark.: "I was suffering
from a very severe cold, when I
read of the cures that had been ef-
fected by Chamberlain's Cough
Remedy. I concluded to give it a
trial and accordingly procured a
bottle. It gave me prompt relief,
and I have the best reason for
recommending it very highly,
which I do with pleasure." For
sale by all dealers. Benson,
Smith & Co., General Agents. *

FORCE IN THE PHILIPPINES.

Forty One Thousand Officers and Men
of Army and Navy.

Washington, March 6.—Forty-
one thousand officers and men of
the combined army and navy
forces comprise the approximate
total American strength now at
en route and under orders for ser-
vice for the Philippines. No fur-
ther reinforcements are now in
contemplation. The forces of the
two services already stationed in
and about the archipelago consist
of twenty regiments of infantry,
one engineer battalion, seven
troops of cavalry and eleven bat-
teries of artillery, an aggregate
of about 24,500 men.

Nineteen vessels, with an aggre-
gate of 297 officers, 2990 men and
253 marines make up the naval
contingent. This is exclusive of
the transport Solace, with 162
officers and men all told, which is
constantly passing back and forth
from Manila. There are about
4500 army reinforcements on the
way to Manila, making as rapid
progress as possible, and there
are, roughly estimated, 7500 men
in the force under orders to pro-
ceed to the Philippines.
